Sacramento, CA 95814

To the Office of Planning and Research:

The Final document (EA 06-0W800) was submitted on February 7, 2023, under State Clearinghouse Number, 2019090216.

On February 9, 2023, an email was provided to the State Clearinghouse that contains the revised final environmental document, which includes the FHWA Air Quality conformity concurrence in Appendix M that was previously missing from the final environmental document. The document also contains a signed Finding of No Significant Impact. Please replace the Final Environmental Document with the revised version attached to the email sent on February 9, 2023.

Sincerely,

*J. William "Trais" Norris, AIA*
