Notice of Availability / Intent to Adopt a Mitigated Negative Declaration
Public Review Period: September 9, 2019 through October 9, 2019
(30 days)

Project Title: Old La Honda Road Bridge Replacement Project (Bridge Number 35C0190)
Project Numbers: CUSE2019-0004; and CEQA2019-0006

Project Description: The Town proposes to replace the Old La Honda Road Bridge (Bridge Number 35C0190) with an 84-inch diameter culvert. The culvert would be installed under the existing bridge, supported by new headwalls, and the area under the bridge would be filled with lean (lighter) concrete.

One lane traffic control would be used during construction and driveway access for local residents would be maintained through the construction period. No detours are planned. The load capacity of the bridge would not be reduced since none of the structural components of the bridge would need to be removed. The staging area would be located nearby on the southwest corner of the intersection of Old La Honda Road and Portola Road. Construction is anticipated to take approximately 18 weeks and would be conducted during the summer and early fall when the culvert under the bridge is dry. Project construction is anticipated during 2020.

Project Location: Old La Honda Road **APN:** **Right-of-Way**
Woodside, CA 94062

The Proposed Project is located at the existing two-lane bridge on Old La Honda Road, approximately 0.1 miles west of the intersection of Old La Honda Road and Portola Road.

Lead Agency: Town of Woodside **Project Applicant:** Town of Woodside
P.O. Box 620005 (Mail) 2955 Woodside Road
2955 Woodside Road Woodside, CA 94062
Woodside, CA 94062
