## PROJECT DESCRIPTION:

The Georgetown Divide Recreation District (GDRD) proposes to expand Greenwood Park from one acre (in current recreational use) to approximately six acres, through the acquisition of three adjacent parcels (APN 074-173-09, APN 074-173-10, and APN 074-173-11) bordering the south and southwest sides of the project site. The project would also include the construction of youth sports fields (one multi-use field and one combined youth soccer/softball/baseball field) for day-time use. Other proposed improvements would include a restroom building, a parcourse exercise stations, picnic tables, bicycle parking, and parking lot (Proposed Project). The expansion of Greenwood Park would provide enhanced recreational opportunities to the local community and the Old Greenwood School House building and adjacent playground would be retained in their current condition for continued use by the community. The project would include demolition of an existing 2,300 square-foot El Dorado County Maintenance Facility building and another 2,400 square-foot El Dorado County Maintenance facility building would be retained by GDRD for storage. Two houses facing Main Street within the project site would be renovated for use by GDRD as office space and community meeting rooms.
