Project Title: Amethyst Road Pipeline Alignment Project

Project Applicant: City of Victorville, Victorville Water District

Project Location (include county): City of Victorville, San Bernardino County, Amethyst Road from Mesa to Sycamore

Project Description:

The proposed project was developed to import water from the Mojave Water Agency. The 24-inch transmission pipeline as proposed would originate at the northwest corner of Mesa Street and Amethyst Road via a connection to MWA's pipeline infrastructure; extend for approximately 1 mile, or up to 5,500 linear feet, generally along Amethyst Road; and then continue west on Sycamore Street to the intersection with Amethyst Road. At the Sycamore Street and Amethyst Road intersection, the proposed Project would connect to the City's existing water facility site located at the Zone 3290 tank farm site (11734 Amethyst Road).

This is to advise that the City of Victorville, Victorville Water District has approved the above (checked) Lead Agency or (unchecked) Responsible Agency
