

NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION

The City of Brawley recommends adoption of a negative declaration for the below-described project. The Planning Department will accept comments starting 8 AM Thursday October 10, 2019 until 5 PM on Friday November 8, 2019, on a proposed negative declaration for the following project:

The City of Brawley Climate Action Plan [known here forward as the CAP], associated General Plan Amendments and Infill Strategy establishes strategies for reducing municipal and community-wide greenhouse gas (GHG) emissions. The CAP is a proactive strategy document that enables the City to maintain local control of implementing State direction (AB 32 - the California Global Warming Solutions Act) to reduce GHG emissions to 1990 levels by 2020. Proposed GHG reduction strategies either already align with or are being incorporated the existing General Plan policies.

The Brawley City Council will conduct a public hearing on Tuesday, November 12, 2019 at 6:00 PM in the City Council Chambers located at 383 Main Street, Brawley, California to consider recommending approval of the proposal.

All interested persons and concerned parties are encouraged to attend the hearings. Persons unable to attend may submit written comments to the Planning Department, City of Brawley, 205 South Imperial Avenue, Brawley, California 92227.

Copies of the proposed mitigated negative declaration and all project documents referenced in the negative declaration are available for public review at the Planning Department between the hours of 8 AM to 12 PM and 1 PM to 5 PM Monday through Friday. Persons with questions should contact Gordon R. Gaste, Development Services Director at 760-344-8822 or ggaste@brawley-ca.gov.
