Project Title: Integrated Pest Management Program

Project Applicant: Santa Clara Valley Open Space Authority

Project Location (include county): Santa Clara County

Project Description:

The Santa Clara Valley Open Space Authority (Authority) proposes to implement an Integrated Pest Management (IPM) Program to direct management of all pests on Authority open space preserves. The IPM Program would expand upon the types, frequency, and geographic extent of existing IPM activities conducted by the Authority. The IPM Program is intended to formalize guidelines and procedures for the careful management of pests throughout the Authority's preserves while protecting natural resources and public health. Under the IPM Program, the Authority would increase the number of manual, mechanical, and chemical treatment projects occurring simultaneously.

This is to advise that the Santa Clara Valley Open Space Authority has approved the above
