Present Land Use/Zoning/General Plan Designation:

Mixed Use (MU) / MU-1B (Mixed Use 1B)

Project Description: (please use a separate page if necessary)

The project includes the subdivision of an ~6.5-acre property into a 5.23-acre parcel for development of residential units and a 1.27-acre remainder parcel for dedication to the Sonoma-Marin Area Rail Transit (SMART). A zoning text amendment to conditionally permit single-family dwellings in the MU-1B zoning district when adjacent to the rail. The project consists of the development of 110 residential units including a density bonus and one development incentive/concession, two access driveways from North McDowell Boulevard, landscaping, parking, a bus shelter, lighting, ancillary improvements. The 1.27-acre remainder parcel will be sold to (SMART) for future station development and is not considered as part of this project.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
