Project Description (Proposed actions, location, and/or consequences).

The purpose of the Proposed Project is to implement the PMP by completing improvements to the 27-acre La Puente City Park. Enhancements to the La Puente City Park consist of the following key elements - splash area, themed playground, skate park, basketball courts, fitness pathway, fitness area amphitheater, fitness building, restroom enhancements, sewer improvements, football/softball field(s), soccer fields, and event pavilions. The Proposed Project is located in the City of La Puente at 501 Glendora Avenue in the Los Angeles County. The streets that border La Puente City Park are North Hacienda Boulevard, located west of the Park; East Temple Avenue, located to the north; and Glendora Avenue, located to the east. The Proposed Project site is zoned as Open Space. The land uses surrounding the Proposed Project consist of Low Density Residential (R1) to the west, north, and east; Public Facility (PI) to the south; and General Commercial (C2) to the northeast.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The Proposed Project would implement mitigation measures for biological resources to mitigated potential impacts to wildlife, cultural/tribal resources for discoveries of archaeological and tribal cultural resources, noise, and transportation for traffic detour and delays.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

There are no known controversies related to the Proposed Project.

Provide a list of the responsible or trustee agencies for the project.
