Present Land Use/Zoning/General Plan Designation:

Various. The Oakland Vegetation Management Plan (OVMP) includes City-owned parcels and along 308 miles of roadway.

Project Description: *(please use a separate page if necessary)*

The Oakland Vegetation Management Plant (OVMP) describes actions that the Oakland Fire Department would continue to take over the plan's 10-year timeframe to reduce fire hazard on 1,924 acres of City-owned land and along 308 miles of roadways in the City's designated Very High Fire Hazard Severity Zone (VHFHSZ). Implementation of the OVMP would involve thinning, pruning, removal, and otherwise modification of trees and vegetation within the OVMP area to reduce the likelihood of a wildfire occurring and to minimize/slow the spread of a wildfire, should one occur.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
