---

The State Clearinghouse distributed the above-referenced **Mitigated Negative Declaration** on **November 1, 2019** to your agency for review and comment. It has come to our attention that the document was issued an *incorrect* State Clearinghouse Number in error. For all future correspondence regarding this project, please use the new State Clearinghouse Number **SCH # 2019119016**. We apologize for any inconvenience this may have caused. All other project information remains the same.

**Subject:** Question--SCH No. 2006071058, Armona Community Services District New District Office

Good afternoon—

I want to verify the SCH No. and/or Lead Agency for the Armona Community Services District New District Office, SCH No. 2006071058, Lead Agency is Kings County. The SCH No. was previously used for the Armona Community Services District Well No. 3 and the Lead Agency was the Armona Community Services District. Should the new project, the New District Office, have a different SCH No. since the Lead Agency is different as is the project or should the Lead Agency be the Armona Community Services District?

Thank you—  
Janice
