City of Hanford - Civic Auditorium  
400 N. Douty Street, Hanford, CA

The Kings County Area Public Transit Agency ("Agency") is the Lead Agency under the California Environmental Quality Act (CEQA) and the Federal Transit Agency (FTA) is the Lead Agency under the National Environmental Policy Act (NEPA) for the proposed project identified below. The Agency is currently preparing an environmental document to determine the environmental effects of the proposed project, and we are notifying the public of this proposal transit project.

**ORGANIZATIONS AND INTERESTED PARTIES:** The Agency requests your comments and concerns regarding the environmental issues associated with the proposed Kings Area Rural Transportation (KART) Transit Station Project.

**Project:** KART Transit Station Project

**Project Description:** The proposed project consists of the development of a 19,000 square-foot transit station building, along with offsite parking, and onsite bus parking. The KART Transit Station would include a large central waiting area, break room, training room, in addition to office space leasable to tenants. The proposed project includes 21 sawtooth bus bays, 17 staff parking spaces, 8 secure staff parking spaces, and 105 park-and-ride spaces for transit users. Additionally, two electric bus chargers and two electric car chargers would be constructed onsite.

**Project Location:** East of Harris Street, west of Brown Street, north of East 7th Street, and south of the alley located between 9th Street and 8th Street.

All interested persons are invited to attend this meeting anytime between 5:00 p.m. and 7:00 p.m. The meeting will be conducted in an open forum format. KCAPTA staff will be present to informally discuss the proposed project. A formal presentation will be made at approximately 5:30 p.m.

All persons are encouraged to:

- Learn about this important transit project for the area.
- Learn about upcoming deadlines on this project related to the environmental document.
- Ask questions about the project.

The meeting space is accessible for persons with disabilities. However, if you require special accommodations at the meeting, please notify the contact listed below prior to July 25, 2019.

As information become available on this project, it will be posted by KCAPTA. To submit comments about this project, please email to:
