(Public Resources Code section 21108)**

File Ref: A3566

SCH#: 2019110339

Item: 28

Title: Lathrop Consolidated Treatment Facility Surface Water Discharge Project

Proponent: City of Lathrop

Location: Sovereign land in the San Joaquin River, adjacent to APN 241-020-580, near Lathrop, San Joaquin County.

Description: The Project would involve repurposing approximately 1.1 miles of existing recycled water pipeline or constructing approximately 1.7 miles of new effluent pipeline within City rights-of-way, and installing a new river side-bank or bottom-diffuser outfall to discharge excess treated effluent from the City's Consolidated Treatment Facility to the San Joaquin River. The State Lands Commission action is an approval of a 20-year General Lease – Public Agency Use through June 22, 2042.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on June 23, 2022, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) An Environmental Impact Report (EIR) was prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, the City of Lathrop, certified the Environmental Impact Report (EIR) and Mitigation Monitoring and Reporting Program and approved the project on March 23, 2021. The California State Lands Commission has considered the EIR as prepared for this project by the City of Lathrop and adopted an independent Mitigation and Monitoring Plan incorporating the City's document. The EIR and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
