Project Applicant: Kern County

Project Title: Camp Condor/Westside Park Revised Water Supply Permit (Project)

Project Address: 3059 Cerro Noroeste Road, Pine Mountain Club, 93225

Project County: Kern County

Project Description:

The Kern County proposes to reactivate the inactive West Side Park Water System to drill and replace the nonproductive Camp Condor Water System. A test well will be drilled and connected to the existing water system. The water system will have a new pump, chlorination system, booster pumps, and the existing water storage tanks will be replaced. The reactivated West Side Park well will deliver+

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a well site approval for the described project on 05/31/2024. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Categorical Exemption(s)

Cal. Code Regs. sections 15301, 15302 and 15303

Reason why project is exempt:

The Project is exempt because it is the reactivation and modification of an existing water system. Water storage tanks and pumps will be replaced. New small structures will be constructed and connected to the existing water system. None of the exceptions listed in section 15300.2 of the CEQA+
