Project Title: Star-Kist Cannery Facility Project

Project Applicant: Los Angeles Harbor Department

Project Location (include county): Earle Street/Bass Street and Marina Street/Ways Street, LA County

Project Description:

The proposed Project involves demolition of the former Star-Kist cannery facilities on an approximately 14-acre site on Terminal Island at the Port of Los Angeles. Construction activities include demolition of all facilities within the project footprint including a small wooden dock; grading; and site preparation for a future use. Although the ultimate future use of the site is unknown, for purposes of analysis, it is assumed that the site would operate as a chassis repair and maintenance depot.

This is to advise that the Los Angeles Harbor Department has approved the above (Lead Agency or Responsible Agency)

described project on Feb. 9, 2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
