**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2019129052

**Project Title:** Sierra College Boulevard Widening between Brace Road and Taylor Road (Streambed Alteration Agreement EPIMS Notification No. PLA-34867-R2)

**Project Location (include county):** The project is located at an unnamed tributary to Sucker Ravine and associated seasonal wetlands, in the County of Placer, State of California; approximately centered at Latitude 38.811644, Longitude -121.205651 (WGS 84 datum, decimal degrees). The project site is located on Sierra College Boulevard between Taylor Road and Brace Road, within the Town of Loomis.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification Number PLA-34867-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Town of Loomis.

The project is limited to the extension of an existing culvert under Sierra College Boulevard in conjunction with widening the road from 4-6 lanes and constructing sidewalks and bike lanes on both sides of Sierra College Boulevard. The existing culvert headwall will be removed and a 14 linear foot length of 60-inch corrugated metal pipe with a flared metal end section will be installed at the upstream end of the existing culvert. On the downstream end of the road crossing, a 34 linear foot length of 60-inch corrugated metal pipe with a flared end section will be added to the existing culvert. Rip rap will be installed at the downstream end of the culvert extension (approximately 35-feet long by 20-feet wide, 86 cubic yards).

This is to advise that CDFW, acting as a Responsible Agency, executed the above Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project  will /  will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the Mitigated Negative Declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations  was /  was not adopted by CDFW for this project.
6. Findings  were /  were not made by CDFW pursuant to California Code of Regulations section 15091.

**Notice of Determination**

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
