Project Title: Central Coast Blue Project

Project Applicant: City of Pismo Beach

Project Location (include county): Grover Beach, Oceano, San Luis Obispo County

Project Description:

The project consists of an advanced treatment facility complex, pipelines, injection and monitoring wells, a pump station and one new production well. The project would also include groundwater injection to create a seawater intrusion barrier and augment local groundwater supplies and would facilitate increased groundwater pumping from existing production wells that would continue to be governed by the existing Santa Maria Groundwater Basin Adjudication Agreement.

This is to advise that the City of Pismo Beach has approved the above (Lead Agency or Responsible Agency)

described project on 9/5/2023 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.
