Present Land Use/Zoning/General Plan Designation: The proposed project would be developed within a 98.11-acre property. A private residence currently exists within the property. With the exception of rural, single-family residences to the north, west, and east, the project site is surrounded by predominately undeveloped land. The site is designated Resource Management under the ECAP and zoned Agricultural.

Project Description: The proposed project would include development of a 32,000-sf greenhouse building containing approximately 22,000-sf of a cannabis canopy, as well as a 5,040-sf processing building and 26 parking stalls. The processing building would house product processing facilities such as dry rooms, trim room, storage room, office, maintenance and the employee areas.
