Project Description: (please use a separate page if necessary)

The Kern Community College District (KCCD, as lead agency) has proposed to construct and operate a new educational facility (Project) within the City of Arvin, at the southern end of San Joaquin Valley, California. The campus will occupy a portion of the approximately 37-acre site (APNs 190-020-14, -46, and -48), which is located on the southwest corner of Campus Drive and Varsity Avenue. The Project includes the construction of an approximately 27,100 square foot general education facility and associated 260-space parking lot. The college student population is estimated to be approximately 1,000 students. The Project site would be primarily accessed from Varsity Road from the north and North Walnut Street from the south.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
