The City of Manteca is the lead agency for this Project.

On Tuesday, April 25, 2023, the Manteca General Plan Update Recirculated Draft EIR, Notice of Completion (NOC), Notice of Availability (NOA), and Summary Form were uploaded to the CEQASubmit portal. The previous version of the NOC and Summary Form, which were submitted on April 25, 2023, did not include the correct information regarding the City of Manteca (lead agency) contact. The correct contact information for the City is as follows:

**LSimvoulakis@manteca.gov**

Page one (1) of the NOC was corrected to include the above contact information for the lead agency contact. Page one (1) of the Summary Form was also corrected to include the above contact information for the lead agency contact. No other portions of the NOC or Summary Form were revised. The corrected NOC and Summary Forms are provided to the State Clearinghouse, Office of Planning and Research, as attached, today (April 26, 2023). We request that the NOC and Summary Form be reuploaded to CEQASubmit using the two attached, corrected documents.
