NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION Copeland Creek Trail to Crane Creek Regional Park Project

A Mitigated Negative Declaration (MND) for the following project has been prepared through the Planning Division of the City of Rohnert Park pursuant to the guidelines and procedures for implementation of the California Environmental Quality Act (CEQA).

PROJECT DESCRIPTION: The Copeland Creek Trail to Crane Creek Regional Park project (proposed project) comprises segments of a paved, multi-use trail facility that connects the eastern end of the Copeland Creek Trail on the Sonoma State University campus located on the west side of Petaluma Hill Road to Crane Creek Regional Park. The proposed project includes designs for a new crosswalk and traffic signal at the intersection of Petaluma Hill Road and Laurel Drive on the Sonoma State University campus. A new paved multi-use trail would connect the east end of the crosswalk at Petaluma Hill Road to an existing water tank access road, which would include designing and constructing a pedestrian/bicyclist bridge crossing Copeland Creek. The proposed project would also provide a multi-use, Class 1 trail from the eastern end of the water tank access road connecting to Crane Creek Regional Park along with a single-track hikers-only trail that would provide access to the top of a knoll on the project site.

PROJECT LOCATION: The proposed trail would be located in Sonoma County, constructed on land owned by the City of Rohnert Park (APN 047-132-038) located on the east side of Petaluma Hill Road across from Sonoma State University. The crosswalk would be constructed on Petaluma Hill Road adjacent to the east of Sonoma State University.

PUBLIC COMMENT: Comments on this document will be received from January 10, 2020 through February 10, 2020. A copy of the proposed MND and Initial Study are available for public review at the City's Development Services Department at 130 Avram Avenue, Rohnert Park, California.

Comments may be submitted in writing to the City of Rohnert Park Deputy City Engineer, Vanessa Garrett, at 130 Avram Avenue, Rohnert Park, CA 94928-2486.

The MND is also available on the City's website, which can be accessed at www.rpcity.org. Additional information may be obtained by contacting Planning Division Staff at (707) 588-2231. [0719_NOI.pdf](#)
