Present Land Use/Zoning/General Plan Designation:

Citywide Ordinance Amendment

Project Description: (please use a separate page if necessary)

The proposed Project is an extension of the existing Orangewood Elementary School campus, including the construction of approximately 20,260 – 23,260 square feet of new buildings that will occupy an 18.55-acre Project site located immediately west and northwest of the existing campus (APNs 388-140-12 and -03). The proposed project would move the existing 450 kindergarten through second grade students from the current classrooms to the proposed new space. No expansion or increase in student enrollment, faculty or staff is proposed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
