Project Description: (please use a separate page if necessary)

The 656 South San Vicente Medical Office Project (Project) would demolish a 5,738 square-foot, vacant educational building, and an 8,225 square-foot Big 5 Sporting Goods store and associated surface parking to develop a medical office and retail-commercial development on an approximately 0.76-acre (33,060 gross square feet, 32,290 net square feet) site located at 650-676 South San Vicente Boulevard (Project Site). The Project Site is located at the northeast corner of Wilshire Boulevard and South San Vicente Boulevard, in an urbanized area adjacent to commercial, office, residential, and medical related uses. The Project would include up to 145,305 square feet of floor area, comprised of 140,305 square feet of medical office space and 5,000 square feet of ground floor retail-commercial space, of which up to 4,000 square feet may be a restaurant and 1,000 square feet may be other commercial uses, such as a pharmacy. The proposed building would include 12 stories and would measure approximately 218 feet in height (230 feet to the top of the mechanical penthouse). The Project would include seven floors of medical office uses over four floors of above-grade parking, and a ground floor containing a lobby for the medical office, and commercial uses. The Project would provide full valet services for 418 parking spaces, including 393 vehicle parking spaces for medical office uses and 25 vehicle parking spaces for retail-commercial uses. The Project would also provide full valet service for bicycle parking and would include 716 bicycle parking spaces for short- and long-term use.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
