The electric system improvements proposed in the Master Plan are intended to allow the implementation of the general plans withing the Town of Truckee. In areas of existing development, improvements are proposed to provide an adequate level of service to existing customers and to accommodate infill development to the extent indicated in the appropriate general plan. For currently undeveloped areas, improvements are proposed to accommodate projected levels of development based on general plan uses and densities

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
