Project Title: Inclusive Playground Renovation at Tierra Rejada Park

Project Applicant: City of Moorpark

Project Location – Specific: Tierra Rejada Park, 11900 Mountain Trail Street

City: Moorpark **Zip Code:** 93021 **Project County:** Ventura

Description of Nature, Purpose and Beneficiaries of Project: Replace playground equipment at existing park with universally accessible playground, including improvements to comply with the Americans with Disabilities (ADA) Act.

Name of Public Agency Approving Project: City of Moorpark **Date of Approval:** January 15, 2020

Name of Person/Agency Carrying Out Project: Jeremy Laurentowski, City of Moorpark

Exempt Status (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. 15301 (Class 1: Existing Facilities)
- Statutory Exemption

Reasons why project is exempt: Staff has evaluated the renovation of the playground at Tierra Rejada Park for compliance with the California Environmental Quality Act. The action is exempt from CEQA as a Class 1 (existing facilities) exemption from CEQA based on State CEQA Guidelines Section 15301. This applies on the basis that the City will continue to operate the property as a park which is consistent with prior uses on the site. In addition, the renovation is exempt from CEQA under the "catch-all exception" because it can be seen with certainty that the renovation will not have the possibility to have a significant effect on the environment. This exception applies because the City is not proposing to use the property or to change the property to a new use at this time.
