Project Title: Sacramento Ambulatory Surgery Center
Project Applicant: University of California, Davis
Parties Undertaking Project: University of California, Davis
Project Location: UC Davis Health, Sacramento Campus
County: Sacramento

Project Description: UC Davis Health plans to consolidate ambulatory surgeries into a new Sacramento Ambulatory Surgery Center (SASC) facility at the Sacramento Campus. The SASC Project would include the construction and operation of the SASC, 48th Street utility improvements, and bicycle and pedestrian improvements on the adjacent roadways. The SASC would be a freestanding ambulatory surgery facility located north of Y Street, between 48th and 49th Streets. The SASC will be four stories and approximately 270,000 gross square feet (gsf) of building space. SASC will contain outpatient operating rooms and patient recovery rooms, space for clinical, administration, education and office, and public space and service yard.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described action on *May 19, 2022* and has made the following determinations:

1. The Project would not cause any significant environmental impacts nor an increase in the severity of significant impacts previously studied in the UC Davis Sacramento Campus 2020 Long Range Development Plan Update Supplemental Environmental Impact Report (2020 LRDP Update SEIR).
2. An Addendum to the 2020 LRDP Update SEIR was prepared for this project pursuant to the provisions of CEQA.
3. Relevant mitigation measures from the 2020 LRDP Update SEIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2020 LRDP Update SEIR mitigation measures will be monitored and reported pursuant to the 2020 LRDP Update SEIR’s Mitigation Monitoring and Reporting Program.
5. Findings were made pursuant to the provisions of CEQA.

The 2020 LRDP Update SEIR, the addendum to the 2020 LRDP Update SEIR for the Sacramento Ambulatory Surgery Center, and the record of project approval are available to the general public at: <https://environmentalplanning.ucdavis.edu/current-projects#SASC> and UC Davis Office of Environmental Stewardship and Sustainability, 436 Mrak Hall, University of California, Davis, CA 95616, and at the UC Davis Health Center, Facilities Design and Construction, 4800 Second Avenue, Suite 3010, Sacramento, 95817. Attn: Matt Dulcich, (530) 304-3898.
