Project Description: (please use a separate page if necessary)

The California Department of Transportation (Caltrans) proposes a project on State Route (SR) 70 (Post Mile [PM] 16.2/25.8) from Laurellen Road to Honcut Creek Bridge [Bridge No. 16-0020] in Yuba County, California, north of Marysville. The project proposes to provide additional pavement to a separate safety project to achieve a 4-lane facility with 8-foot shoulders and a continuous two-way left turn lane bounded by a minimum 20-foot Clear Recovery Zone. At county-maintained roads and certain agriculture-related businesses, the project will provide designated left turn pockets and intersections/driveways that reflect the tractor trailer traffic associated with agricultural operations in this area.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
