State Clearinghouse Number (If submitted to Clearinghouse)	Contact Person	Area Code/Telephone/Extension

Crescenta Valley HS is located at 2900 Community Avenue in the southwest part of the unincorporated community of La Crescenta, Los Angeles County, California. The Crescenta Valley HS Field proposed project would be developed within the existing field area at the southern part of the campus. Regional access to the Crescenta Valley HS campus is from I-210, approximately 0.1 mile to the south. The Crescenta Valley HS campus is trapezoidal and bordered by Community Avenue to the north, I-210 to the south, Glenwood Avenue to the east, and Ramsdell Avenue to west.

Project Location:

The proposed project would redevelop the area north of the existing track and field and south of the tennis courts to install permanent bleachers and new field lighting for the existing track and field. Additional improvements would include a restroom and storage/maintenance buildings, a public address (PA) system, a team room, and a concession stand. The proposed project includes the development of new bleachers with 3,442 seats along the northeastern portion of the existing field. The bleachers would be aluminum and galvanized steel construction with concrete foundations. In addition, the project would include the installation and operation of four 100-foot-tall light poles along the perimeter of the running track. The project would also include a 540-square-foot concession stand along the northern perimeter of the project site and a 2,254-square-foot home team room along the southeastern perimeter of the project site. The proposed project would make use of existing street and onsite parking, as well as utilizing available parking at the La Crescenta Elementary School campus. No change in existing site provided parking would occur. As part of the project, an 8-foot fence would be installed at the northeast end of the track and field and the existing turnstile would be locked and not used. Campus access at this location would be limited to an emergency gate for fire/paramedic uses and District vehicle access only. The school's use of the proposed field would be from 7:00 am to 10:00 pm Monday through Friday, and 8:00 am to 5:00 pm on Saturday.
