Project Title: Calpella Two Bridges Replacement Project EA 01-0E090; Streambed Alteration Agreement No. EPIMS-MEN-18091-R1C

Project Location (include county): The project is located along State Route (SR) 20 in Mendocino County near Calpella, between Post Miles (PM) 33.3 and 34.4., at Latitude 39.243340, Longitude -123.20009.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number EPIMS-MEN-18091-R1C, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Robert King, representing the California Department of Transportation (Caltrans).

Caltrans proposes to perform a complete bridge replacement of the Russian River Bridge (Bridge #10-182) and Redwood Valley Road Undercrossing (UC) (Bridge #10- 183) on a new alignment. The existing bridges would remain intact during construction to accommodate traffic and avoid a detour through local and county roads. The bridges would be removed after construction of the new structure. The new alignment would allow for standard acceleration and deceleration lanes at the intersection of SR-20 and County Road (CR) 144 along with increased sight distance of the intersection.

This is to advise that CDFW, acting as a Responsible Agency, approved the above-described project on April 15, 2021 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
