**Subject:** Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code

**Project Title:** The Related Bristol Specific Plan Project

**Applicant:** RCR Bristol LLC, 3750 South Bristol Street, Santa Ana, CA 92704

**State Clearinghouse Number:** 2020029087

**Project Location:** 3600 South Bristol Street

**City:** Santa Ana **County:** Orange

**Project Description:** The proposed Project would redevelop the 41.13-acre site to provide: (i) up to 3,750 multi-family residential units; (ii) up to 350,000 sf of commercial uses; (iii) a hotel with 250 rooms; (iv) a senior living/continuum of care use with up to 200 units; and (v) approximately 13.1 acres of parks, pedestrian paseos, and common open space. The Project's land use plan is comprised of two Mixed-Use districts, differing in development intensity, with the Mixed-Use/Village Core to the south and Mixed-Use/Residential to the north. Parking would be provided through free-standing and above and below-ground structures. The main vehicular access to the Project site would be provided via driveways along Bristol Street, South Plaza Drive, MacArthur Boulevard, and Sunflower Avenue. Intersections would be added at MacArthur Boulevard and Sunflower Avenue to provide direct access to Bristol Paseo; the proposed primary north/south local neighborhood street.

Street trees would be installed along all streets within and adjacent to the Project site. New exterior lighting onsite would be provided to accent the landscaping, project signage, light walkways, parking areas, and for security. The Project is intended to be a walkable, bikeable community and would include onsite sidewalks, and street system that would connect to the existing adjacent roadways. The Project also includes offsite bike lane improvements to provide a Class IV or Class II bike lane on Bristol Street, MacArthur Boulevard, and Sunflower Avenue.

The Project site has a General Plan Land Use designation of District Center-High (DC-5) within the South Bristol Street Focus Area. The existing zoning for the Project site is General Commercial (C-2) north of Callen's Common, and Commercial Residential (CR) and General Commercial (C-2) south of Callen's Common. The Project includes a Zoning Map Amendment to change the zoning from CR and C-2 to Related Bristol Specific Plan District, to regulate future development in the site. In addition, the Project includes a Development Agreement between the City and the developer.

On October 15, 2024 the City Council of the City of Santa Ana (Lead Agency) has:

- Conducted the second reading of and adopted an ordinance approving Amendment Application No. 2023-03 to establish the Related Bristol Specific Plan No. 5 and to approve a zone change for the Project site from General Commercial (C2) and Commercial Residential (CR) to Related Bristol Specific Plan (SP No. 5); and
- Conducted the second reading of and adopted an ordinance approving Development Agreement No. 2023-02.
