Project Title: Harrison Elementary School Soundwall Final Recirculated Initial Study/Mitigated Neg Dec

Project Applicant: County of Los Angeles Department of Public Works

Project Location (include county): Harrison Elem School, 3529 City Terrace Dr, City Terrace, LA County

Project Description: Public Works proposes construction of a soundwall at the northern property boundary of Harrison Elementary School. The soundwall would be approx 630 feet in length, including gaps and barriers. The soundwall would consist of a combination of rigid soundwalls and other less permanent massive noise barriers. The soundwall would range in height from approximately 6'7" to 7'11" (for mountable sound barriers) to approximately 15'5" (for rigid soundwalls) above local ground. The portion of the soundwall constructed underneath the overhead pedestrian bridge would vary in height to match the bridge bottom. The project will be entirely within County right-of-way. This is to advise that the Los Angeles County Board of Supervisors has approved the above (Lead Agency or Responsible Agency)

described project on December 8, 2020 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
