Julie –

Caltrans has NO COMMENT on the proposed Central Mutual Water Company new 1,300-foot water line within South Kessing Street right-of-way and connection into the City of Porterville's 16-inch water main within Gibbons Avenue (SCH# 2020039017).

The Project will not impact the State Highway System as State Route (SR) 65 is located approx. 1 mile west of Project and SR 190 is located approx. 1 mile north of the Project.

If you have further questions, please contact me.

Respectfully,
