Project Title: Doheny Village Zoning District Update Project

Project Applicant: City of Dana Point

Project Location (include county): 80-acre area near Doheny Park Road/Victoria Boulevard intersection

PROJECT DESCRIPTION: The purpose and intent of the proposed project is to preserve and enhance the eclectic combination of commercial, light industrial, and residential mixed uses in Doheny Village. The project provides the following three new zoning districts specific to the project area: Village Commercial/Industrial (V-C/I), Village Commercial/Residential (V-C/R), and Village Main Street (V-MS). Allowed uses, development standards (e.g., lot size, setback, density, open space, landscaping requirements), special development standards (e.g., maximum density, housing incentive overlay, accessory uses and structures, parking requirements, and art-in-public-places program), and special use standards are also proposed, and would be comprehensively integrated into the Dana Point Municipal Code as Chapter 9.14, Doheny Village Districts. On July 20, 2021, the City approved the General Plan Amendment, submission of a Local Coastal Program Amendment, and approval of a Zone Code Amendment. On August 9, 2021, the City approved Zone Text Amendment ZTA19-0002/Local Coastal Program Amendment LCPA19-0002- Zoning Code Update.
