**Project Description:** (please use a separate page if necessary)

The Project consists of the development of an 75,000-square-foot entertainment center adjoining the existing Red Hawk Casino located on the Shingle Springs Rancheria in El Dorado County. The entertainment center would be developed above the northern half of the existing parking garage. The entertainment center would incorporate additional entertainment and dining options such as a bowling alley, virtual reality gaming suites, indoor go-karting, bar, and meeting rooms. In addition to the entertainment center, the TEIR addresses the expansion of the existing parking garage. The southern half of the existing eight-level parking garage would be expanded with an additional three levels.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
