State Clearinghouse Number (if submitted to State Clearinghouse): 2020039071

Project Title: Caltrans Encroachment Permit 0220-NMC-0176 for City of Redding's Northeast Crossing Trail Project, Use Permit Application UP-2020-00350

Project Applicant: City of Redding

Project Location (include county): City of Redding in Shasta County

Project Description:

The City of Redding is proposing to build the Northeast Crossing Trail Project, which would connect the existing bike path along State Route (SR) 299 to the Highland Park subdivision located approximately 0.5 miles south of SR 299. The project would include various improvements within Caltrans' right-of-way southeast of the Interstate 5/SR 299 interchange. Proposed improvements within Caltrans' right-of-way would include construction of a shared use pedestrian/bicycle path that is approximately 10 feet wide and paved with a pervious polymerized crushed aggregate. Other improvements within the right-of-way would include installation of stormdrain culverts, safety lighting, signage, and bollards at the trailhead to prevent unauthorized vehicle access. Stockpiling may also occur within the right-of-way.

The City of Redding is the CEQA lead agency and has prepared an Initial Study/Mitigated Negative Declaration and a Notice of Determination for the project. Caltrans, acting as a responsible agency for work proposed within the agency's right-of-way, has reviewed the environmental documentation provided by the City and adopted the findings in the Notice of Determination. Caltrans will issue an encroachment permit (0220-NMC-0176) for work occurring within the agency's right-of-way provided that all applicable environmental commitments identified in the Initial Study are implemented.

This is to advise that the California Department of Transportation (Caltrans) has approved the above
 Lead Agency or Responsible Agency

described project on June 26, 2020 and has made the following determinations regarding the above
 (date)
 described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Redding, 777 Cypress Avenue, Redding, CA 96001
