Developed Agricultural / AG-40 / A/G

Project Description: (please use a separate page if necessary)

Use Permit application for the expansion of an existing brining facility to be constructed in two (2) phases over six (6) years. Phase 1 is the construction of a 58,000 square-foot warehouse expansion with a 600 kW solar system on the roof. Phase 2 includes the construction of an 8,000 square-foot non-refrigerated bulk goods storage building, a 1,500 square-foot shop addition, and a 3,000 square-foot raw materials cooler. Access is via a private easement from State Route 4. The property utilizes an existing septic system, a well for water, and a retention pond. The parcel is under a Williamson Act contract.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
