Good afternoon,

The below mentioned and attached project falls within the CHP Templeton's area of responsibility.

I have reviewed the attached environmental impact documentation and have determined there to be **no impact to the Templeton Area's local operation and/or public safety by SCH 2020040008.**

Please let me know if you have questions or concerns.

Thank you,
Kevin

CC to Division is FYI only.

Special Projects Section (SPS) recently received the referenced "Notice of Completion" environmental impact document from the State Clearinghouse outlined in the attached files (memorandum, checklist, and project file) and/or Web site:

<https://ceganet.opr.ca.gov/2020040008/2>

Due to the project's geographical proximity to the San Luis Obispo Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

Please call or e-mail if you have any questions.

Thank you,

Mary
