## Central Valley Regional Water Quality Control Board

### California Environmental Quality Act Notice of Determination in compliance with Section 21008 or 21152 of the Public Resources Code

**To:** Office of Planning and Research  
P.O. Box 3044  
Sacramento, CA 95812-3044

**From:** California Regional Water Quality Control Board  
Central Valley Region, Redding Office  
364 Knollcrest Drive, Suite 205  
Redding, CA 96002

**Date:** 23 March 2021

**State Clearinghouse Number:** 2020049004

**Project Title:** Champlin Slough Bridge Replacement Project (WDID 5A52CR00209)

**Project Location - Specific:** The Project area is on State Route 99 in Tehama County from post mile 9.0 to 9.3. The nearest city is Los Molinos. The Project coordinates are as follows: Latitude: 39.984506° and Longitude: --122.081263°.

**Project Location - County:** Tehama County

**Name of Applicant:**

Rex Hervey  
California Department of Transportation  
1031 Butte Street, MS 93  
Redding, California 96001

**Description of Nature, Purpose, and Beneficiaries of Project:**

The purpose of the project is to replace the existing 65-foot-long by 42-foot-wide three-span bridge over Champlin Slough with an approximately 85-foot-long by 42-foot-wide precast clear-span bridge. Other work would include reconstructing the roadway approaches to match the new bridge profile, placing new Midwest Guardrail System guard railing along both approaches to the new bridge, placing rock slope protection (RSP) at the bridge abutments, and striping the roadway. These improvements would bring the bridge to current design standards and would construct standard transitions to and from the new bridge.

**Name of Public Agency Approving Project:**

This is to advise that the Central Valley Regional Water Quality Control Board, as Responsible Agency, has approved the above described project on 23 March 2021 and has made the following determinations regarding the above described project:

1. The Central Valley Regional Water Quality Control Board considered the Negative Declaration as prepared by the California Department of Transportation, District 2, the Lead Agency.
2. The Project will not have a significant effect on the environment.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was not adopted for this project.
5. A Statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

The Negative Declaration is available to the general public at: California Department of Transportation, District 2, 1031 Butte Street, Redding, CA 96001

The record of project approval is available to the general public at: [Central Valley Regional Water Quality Control Board's Adopted Orders Web page](https://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/401_wq_certs/)
