NOTICE OF DETERMINATION

FILING OF NOTICE OF DETERMINATION IN COMPLIANCE WITH SECTION 21152 OF THE PUBLIC RESOURCES CODE

PROJECT TITLE: Capitola Pump Station Rehabilitation Project

CONTROL NUMBER: PLER2019-00117

STATE CLEARINGHOUSE NUMBER (IF SUBMITTED): 2020049009

PROJECT LOCATION: The project site is located in the Fair Oaks community of unincorporated Sacramento County. The existing pump station is located approximately 215 feet east of Capitola Avenue and 60 feet west of Earnscliff Avenue, at the end of a paved access path

APN: N/A

DESCRIPTION OF PROJECT: The project proposes to replace the existing dry pit pump station with a wet pit, submersible pump station. During storm events, the drainage channel/tributary flows over the pavement, depositing sediment and debris throughout the area. To alleviate this problem, the pump station will be reconfigured to include a new valve vault, manhole, and wet well. The maximum vertical depth of excavation will be 15 feet; excavation will be confined to the pump station limits.

Other components of the project include widening the existing access road, constructing curbs and guardrails, constructing a retaining wall around the eastern portion of the pad, extending the pump station pad approximately 500 square feet, and replacing the existing 24-inch culvert, which diverts the existing drainage beneath the project site, with a 36-inch culvert. Concrete headwalls will be constructed within the drainage feature at the northern and southern ends of the pump station.

Improvements to the pump station infrastructure include:

Construction of a 6-foot diameter wet well with a wet pump.

A 4-inch force main.

Construction of a new valve vault and bypass connection.

Relocating the existing electrical panel.

Installation of a permanent generator and fuel tank within contained housing.

Installation of an odor control pad.

Conversion of the existing 5-foot dry well into an emergency storage well.

Installation of an 8-inch diameter pipe from new wet well.

Conversion of existing wet well to emergency storage well.

Installation of an 8-inch diameter pipe from new wet well.

Installation of a new motor and transducer junction box.

Installation of a new motor and transducer junction box.

NAME OF PUBLIC AGENCY APPROVING PROJECT:

SACRAMENTO AREA SEWER DISTRICT /
CEQA@SACCOUNTY.NET

NAME OF PERSON OR AGENCY CARRYING OUT PROJECT: Sacramento Area Sewer District 10060 Goethe Rd, Sacramento, CA 95827

This is to advise that the Sacramento Area Sewer District (Lead Agency) has approved the above described project on August 26, 2020 and has made the following determinations concerning the above described project.

1. The project **will not** have a significant effect on the environment.
2. A **Negative Declaration was adopted** for this project pursuant to the provisions of CEQA.
3. Mitigation measures **were** made a condition of the approval of the project.
4. A mitigation monitoring and reporting program **was** adopted.
5. A statement of Overriding Considerations **was not** adopted for this project.
6. Findings **were not** made pursuant to the provisions of CEQA.
7. California State Department of Fish and Game Fees (Fish & Game Code Section 711.4)
 - a. **The project is not de minimis and is, therefore, subject to the following fees:**
 - i. **\$2,406.75 for review of a Negative Declaration.**
 - ii. **\$40 for County Clerk processing fees.**
