Project Title: 2021 Long Range Development Plan, Berkeley Campus
Project Applicant: University of California, Berkeley
Parties Undertaking Project: University of California, Berkeley
Project Location: UC Berkeley Campus
County: Alameda and Contra Costa Counties

Project Description: The 2021 Long Range Development Plan (LRDP) for the UC Berkeley campus provides an updated land use plan to guide future physical development. The 2021 LRDP identifies a framework guided by population projections through the 2036-37 academic year, and a development program that identifies potential new building space and infrastructure to support improvement of existing facilities and program growth and expansion. The 2021 LRDP plans for a projected student enrollment of 48,200 and 19,000 faculty and staff by the 2036-37 academic year, an increase of approximately 8,500 students and 3,580 faculty and staff over the campus’s population in 2018-19. This population projection necessitates that the campus plan for additional facilities to accommodate the programmatic needs of academic, research, and other supporting university functions. The 2021 LRDP plans for approximately 6.4 million net new gross square feet of campus and residential space and includes 11,730 net new student and faculty housing beds.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *July 22, 2021* and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval is available to the general public at: <https://lrpd.berkeley.edu/environmental-review>
