Project Title: City of Del Mar San Compatibility and Opportunistic Use Program

Project Applicant: City of Del Mar

Project Location (include county): City of Del Mar beaches

Project Description:

The SCOUP is a plan to obtain beach-quality sand from construction, development, maintenance, or dredging projects in the region for placement as beach nourishment within the City. The SCOUP presents a streamlined program of sand placement at specified locations in the City to allow quick and efficient placement of material as it becomes available. The program identifies a maximum envelope within which sand may be placed as it becomes available, usually of relatively small volume.
