Item: C59

Title: Issuance of General Lease – Public Agency Use and Dredging

Applicant: City of Del Mar

Location: Sovereign land in the San Dieguito River and the Pacific Ocean, near Del Mar City Beach, Del Mar, San Diego County.

Description: The SCOUP is a plan to obtain beach-quality sand from construction, development, maintenance, or dredging projects in the region for placement as beach nourishment within the City. The SCOUP presents a streamlined program of sand placement at specified locations in the City to allow quick and efficient placement of material as it becomes available. The program identifies a maximum envelope within which sand may be placed as it becomes available, usually of relatively small volume. As part of the SCOUP, the Project would dredge the San Dieguito River inlet and deposit the sand at Del Mar City Beach. The State Lands Commission action is an approval of a 5-year General Lease – Public Agency Use and Dredging through June 5, 2028.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on April 7, 2023, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) A Mitigated Negative Declaration (MND) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, the City of Del Mar (City), adopted the Mitigated Negative Declaration (MND) and Mitigation Monitoring and Reporting Program and approved the project on August 3, 2020. The California State Lands Commission has considered the MND as prepared for this project by the City and adopted an independent Mitigation Monitoring Program incorporating the City's document. The MND and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
