Project Title: State Route 217 San Jose Creek Bridge Replacement
Project Applicant: California Department of Transportation, District 5
Project Location (include county): Goleta, Santa Barbara County

Project Description:

Replace the existing State Route 217 San Jose Creek Bridge (Bridge # 51-0217) with a two-span bridge structure that would accommodate multimodal traffic in Santa Barbara County on Route 217 from postmile 0.9 to 1.4. Due to a slightly higher profile, the bike and pedestrian path next to the bridge would need to be slightly realigned. It would meet FEMA floodway requirements and include features to allow the structure to be raised in the future to address sea level rise.
