

Notice of Intention to Adopt a Mitigated Negative Declaration / Notice of Availability

Notice is Hereby Given: The City of Woodlake (City) is the Lead Agency on the below-described project and has prepared a Mitigated Negative Declaration on the proposed Woodlake Stormwater Basin Project (Project), which includes the construction and operation of a 17-acre stormwater retention basin on a 38-acre site in the southern portion of the City. The complete Project description, location and the potential environmental effects are contained in the Mitigated Negative Declaration (MND). The MND has concluded that no significant environmental impacts will occur as a result of the Project.

Project Title: Mitigated Negative Declaration for the Woodlake Stormwater Basin Project

Project Location: The City of Woodlake is located in Tulare County in the southern part of the San Joaquin Valley. The proposed Project is located north of Little Bravo Lake, south of W. Ropes Avenue and northwest of Mulberry Street on Assessor's Parcel Numbers 060-170-016 and -015.

Project Description: The City intends to construct and operate a 17-acre stormwater retention basin which will receive runoff from the Bravo Lake/Wutchumna Ditch via the Manzanillo Stormwater Pump Station, South Valencia Boulevard and the existing Industrial Ditch. The Project also includes the installation of approximately 5,541 linear feet of pipeline to support the basin.
