Project Description (Proposed actions, location, and/or consequences).

Use Permit and Development Agreement application to convert an existing wholesale nursery into a commercial cannabis cultivation and distribution facility (Use Types: Commercial Cannabis – Cultivation & Distribution).

The project proposes to convert two (2) existing buildings totaling 51,720 square feet to cultivation buildings and an existing 4,921 square foot shop building that will be converted to a distribution building. In addition to the existing structures, the project proposes to construct an additional 25,200 square foot cultivation building, which replaces a previously approved greenhouse, and an accessory photovoltaic solar system. The parcel also contains two (2) existing residences, which will remain on site.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

N/A - Negative Declaration

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
