Title: Lodi Lake Shoreline Restoration Project

Proponent: City of Lodi

Location: Sovereign land in the Mokelumne River, within Lodi Lake Park, adjacent to Assessor's Parcel Numbers 039-100-210, near Lodi, San Joaquin County.

Description: The project would place rock slope protection at two locations totaling 1,600 linear feet along the Mokelumne River to reduce riverbank erosion. Fill soil would be placed behind portions of the RSP for placement of turf grass and native aquatic vegetation. Existing concrete rubble at both locations would be removed.

This is to advise that the California State Lands Commission, as  Lead Agency  Responsible Agency, approved the above-described project on February 25, 2022, and made the following determinations regarding the project.

- 1) The project  will  will not have a significant effect on the environment.
- 2) A  Mitigated Negative Declaration (MND) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures  were  were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan  was or  was not adopted for this project.
- 5) A Statement of Overriding Considerations  was  was not adopted for the project.
- 6) Findings  were  were not made pursuant to the provisions of CEQA.

The lead agency for the project, the City of Lodi, adopted the Mitigated Negative Declaration (MND) and Mitigation Monitoring/Reporting Program on July 15, 2020, and approved the project on October 20, 2021. The California State Lands Commission has considered the MND as prepared for this project by the City of Lodi and adopted an independent MMP incorporating the Board's document. The MND and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
