Good Morning,

Just to confirm was this the project that would need the updated attachments?

Unfortunately since the document was already published if you would like to update these documents I cannot grant you access but I would be able to upload and update them on your behalf.

Subject: 321 Madison SCEA Update

Hi Christine,

I hope this email finds you well.

I'm writing because I'd like to make a request to update two of the attachments for the above mentioned SCEA.

Can you grant us that authority? I've included Maria (cc'd), who is our Administrator for the Dept. of City Planning.

Can you please advise us on how to proceed?

The attachments that need updating are Appendix M General Plan consistency Findings, and Enlightenment Plaza SCEA 4.30.20

Thanks,

Hagu
