## STATE CLEARINGHOUSE

Good Afternoon Kim Voge,

Please see Caltrans comment below regarding the Shiloh Mixed Use project, SCH 2020050316. Thank you for allowing Caltrans to review and comment on the IS/MND. Contact me at [andrew.chan@dot.ca.gov](mailto:andrew.chan@dot.ca.gov) if you have any additional questions.

### ***Bicycle Facilities***

On page 151 of the IS/MND, reference is made to the Caltrans Highway Design Manual (HDM) classification of Class I, Class II and Class III bicycle facilities. Although Class IV bicycle facilities are not yet included in the HDM, there should be reference to Caltrans Design Information Bulletin (DIB) 89-01 - Design Guidance for Class IV Bikeways.

Best,

Andrew Chan

Caltrans District 4
