Project Description (Proposed actions, location, and/or consequences).

The proposed Project site is located in the City of El Segundo within the County of Los Angeles, approximately 20 miles southwest from downtown Los Angeles. Specifically, the Project site is bound by Palm Avenue on the north, Pacific Coast Highway (PCH) on the east, Holly Avenue on the south, and Indiana Street on the west. Mariposa Avenue bisects the Project site. The proposed Pacific Coast Commons Specific Plan (Project) includes approximately 6.35 acres (post-street dedication) of developed property located along PCH. The Project site currently has a General Plan land use designation of "General Commercial" for the property south of Mariposa Avenue and "Parking" for the property north of Mariposa Avenue. The entire area would receive a new General Plan Land Use Designation and zoning of Pacific Coast Commons Specific Plan. The Project would demolish existing structures, including a former restaurant, and the existing surface parking lots of the Fairfield Inn & Suites by Marriott and Aloft Hotel properties, and would allow for the development of up to 263 new housing units and approximately 11,252 gross square feet of new commercial/retail uses, and associated parking.
