Project Title: Flume 30 Replacement Project (Streambed Alteration Agreement EPIMS Notification No. ELD-13123-R2)

Project Location (include county): The project is located at Bull Creek, between Kyburz and Pollock Pines in the County of El Dorado County, State of California; Latitude 38.76544, Longitude -120.428300.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed a Streambed Alteration Agreement EPIMS Notification Number ELD-13123-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, El Dorado Irrigation District.

The project shall replace 350 feet of an elevated wooden flume structure with a reinforced concrete canal supported by a mechanically stabilized wall. Other components include demolishing and disposing of the current Flume 30 and all supporting structures, reconstruction of the canal bench, removing and replacing the existing downstream abutment of stacked rock wall, installing a precast concrete slab to span Bull Creek, and a temporary 18-inch and 24-inch bypass.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
