BY:

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2020069009

Project Title: Water System Improvement Project

Project Applicant: Allensworth Community Services District

Project Location (include county): Parcels 333-252-020, 333-390-009, 333-340-036 Tulare County

Project Description:

The proposed project involves drilling and equipping a new municipal water well and connecting it to the existing ACSD distribution system. The project also involves the installation of a new steel water storage tank, booster station, and connecting them to the existing ACSD distribution system, and also involves the demolition and removal of the existing storage tank and booster station, which are being replaced.

This is to advise that the Allensworth Community Services District has approved the above (Lead Agency or Responsible Agency)

described project on 8-18-2020 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

3336 Road 84, Allensworth CA 93219
